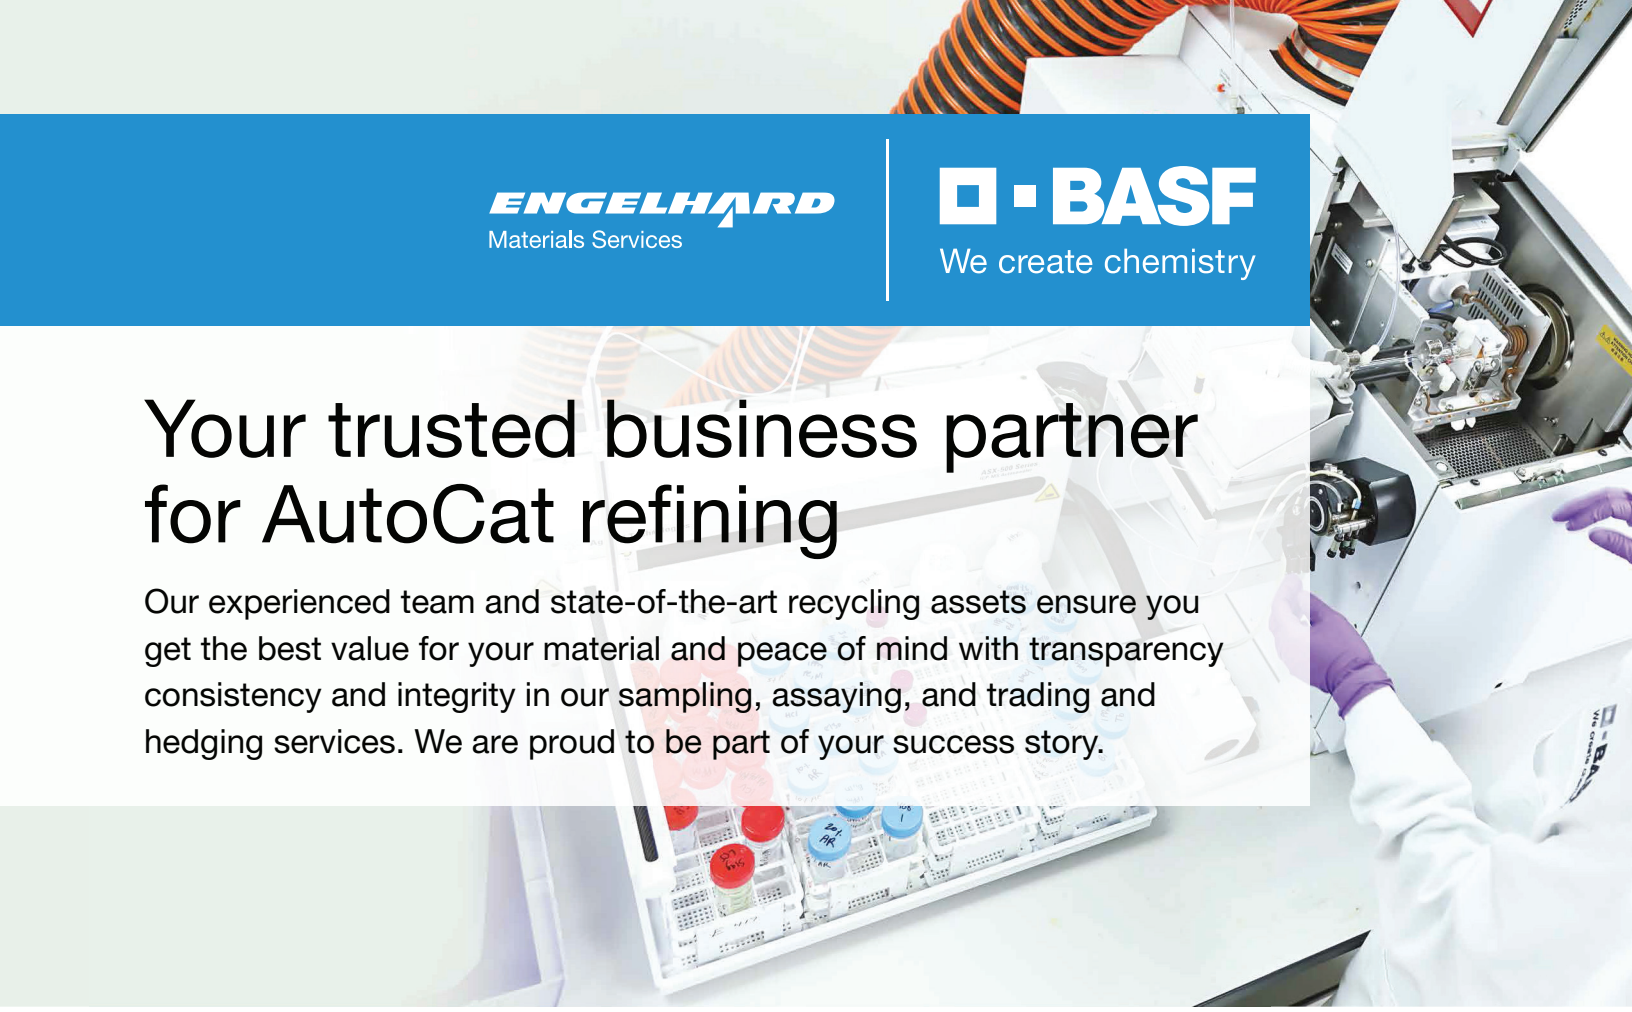
BASF
We create chemistry



Your trusted business partner for AutoCat refining

Our experienced team and state-of-the-art recycling assets ensure you get the best value for your material and peace of mind with transparency consistency and integrity in our sampling, assaying, and trading and hedging services. We are proud to be part of your success story.

BEST TOTAL PRECIOUS METAL RETURNS

With our advanced recycling equipment and precise analysis process, you can be confident knowing you're getting the highest total return from your materials.

GLOBAL TRADING AND HEDGING SERVICES

Our team of experts help you to confidently navigate the PGM market with 24/7 access and a variety of settlement options.

WORLD-RENOWNED ASSAY LAB

Our team consists of highly trained analytical chemists who provide the best analytical services representing the highest standards in the industry.

COMMITMENT TO CUSTOMER SERVICE

Our strong reputation and culture of integrity is reinforced by more than 150 years of experience and consistent turnaround time.

END-TO-END TRANSPARENCY

We offer a Lot Witnessing program and encourage you to watch our processes. Each lot is evaluated for the best fit sampling and assaying processes, and results are free from commercial influence.

SAFE AND SECURE

Stable and secure presence with financial strength and credit rating better than most banks.

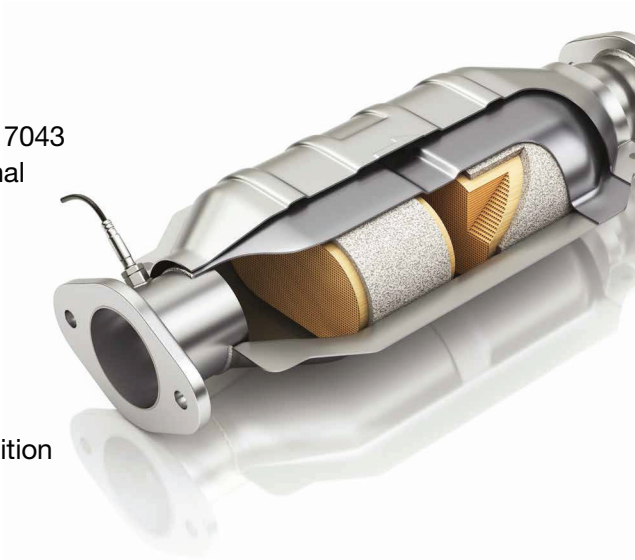
ISO PGM ANALYTICAL ACCREDITATION

BASF ECMS is one of few refiners to employ ISO 17025/17043 accredited methods in our labs, adhering to an international standard of the competence of PGM determinations.



SUSTAINABLE SOLUTIONS

BASF ECMS is proud to promote sustainable growth and environmental responsibility. We recognize the increasing importance of a circular economy and are in a unique position to support our partners with sustainable processes.

ABOUT US

Leveraging its deep expertise as the global leader in catalysis and precious metals, BASF Environmental Catalyst and Metal Solutions (ECMS) serves customers in many industries including automotive, aerospace, indoor air quality, semiconductors and hydrogen economy, and provides full loop services with its precious metals trading and recycling offering. With a focus on circular solutions and sustainability, ECMS is committed to helping our customers create a cleaner, more sustainable world. Protecting our elements of life is our purpose and this inspires us to ever-new solutions. ECMS operates globally in 14 countries with over 4,700 employees and 30 sites.
